Student Learning Outcomes

- Students will develop a greater understanding of the discipline through hands-on experience and/or research activities in a specific area of study
- Students will demonstrate greater proficiency in the discipline through independent study.

Description

Provides an opportunity for the student to expand their studies in Business beyond the classroom by completing a project or an assignment arranged by agreement between the student and instructor. The student is required to contract with the instructor to determine the scope of assignment and the unit value assigned for successful completion. Students may take a maximum of 6 units of Independent Study per department.

Course Objectives

The student will be able to:

- Plan an independent study project in Business.
- Conduct the study by means of literature research, fieldwork or laboratory work or other means mutually agreed upon in the student-faculty contract as appropriate for the discipline.
- Present the results of the study in a written or oral report or by some other means as determined by the contract.

Course Content

This course is based on independent research or course of study related to the topics outlined in the student contract.

Lab Content

Not applicable.

Special Facilities and/or Equipment

Not applicable.

Method(s) of Evaluation

Evaluation is based on the completion of the scope of work described in the student-faculty contract.
