Student Learning Outcomes

- Demonstrate factual knowledge of important public figures, social, economic, cultural, political and intellectual developments in early American history.
- Develop a historical analysis and support it using details and examples.
- Relate important historical events and patterns to current events and patterns and identify significant similarities and differences.

Description

History of North America and the United States up to 1815. Survey of the political, economic, intellectual, and social antecedents of United States culture with emphasis on the interactions of peoples and ideas that led to the creation and evolution of the early United States.

Course Objectives

The student will be able to:

a. Demonstrate a broad factual knowledge of important social, economic, cultural, political, and intellectual movements and events in early American history.

b. Analyze issues which have a direct bearing and influence on American life today.

c. Explain the principal historical debates and problems within the field of American historiography concerning the sources and verification of historical evidence.

d. Recognize the impact of different ethnic groups and other minorities on the evolution of early American society.

e. Utilize the skills of historiographical analysis and interpretative exposition to explain and evaluate important developments in American history.

f. Use primary and secondary sources effectively to articulate sound historical analysis.

course Content

a. How do we know what we know—primary and secondary sources and their importance and use.

b. Pre-Columbian world
   i. Earliest migrations and simple societies
   ii. Major complex native societies in North America
   iii. Native American political situation on the eve of contact
   iv. European societies at the end of the 15th century
   v. Exploration of the Americas by Spain, France, and England

c. Impact of exploration on the native peoples of North and Central America and the Caribbean
   i. Comparative analysis of the Aztec and Spanish empires
   ii. New Spain and continental Spanish exploration
   iii. Early French, Dutch, and English settlement
   iv. Native interaction with European colonies

d. Maturation of the colonies and wars for empire
   i. Class division, servitude, and slavery in the Chesapeake
   ii. Puritanism and community in New England
   iii. Dutch influence and diversity in the middle colonies
   iv. Institutionalized slavery in the Southern colonies
   v. Colonial economic systems
   vi. Mercantilism and the Atlantic trade

e. Great Britain’s changing relationship with her American colonies
   i. Britain and France fight for hegemony
   ii. Reasserting British control over the colonies
   iii. Colonial resistance and arguments over liberty
   iv. Assessment of impact of Enlightenment ideas and religious revivalism

f. The American Revolution
   i. Evaluation of events and arguments that led to open revolution
   ii. Analysis of key ideas contained in the Declaration of Independence
   iii. Tactics and strategies of Britain, the colonies, and their European allies
   iv. Civil war in the colonies
   v. Evaluation of revolutionary expectations of women, Africans, and other minorities

g. The Early Republic
   i. Assessing the Articles of Confederation as the United States’ first government
   ii. Resolving conflict over the western territories
   iii. Relations with the European and Indian nations
   iv. Class, race, and gender divisions in the new republic

h. Creation of the Constitution
   i. Comparing the arguments of the Federalists and Anti-Federalists
   ii. The Constitutional Convention
   iii. The Bill of Rights and ratification

i. The Federalist Era and strains of early nationhood
   i. Washington’s precedents and establishment of a national government
   ii. Hamilton and financial reform
   iii. Development of political parties
iv. Foreign affairs under Washington and Adams
v. Evolution of relations with Native American tribes in the West
j. Jeffersonian Republicanism
i. Election of 1800 and transfer of power
ii. Rise of the Supreme Court
iii. Expansion west and the Louisiana Purchase
iv. War with the Barbary states
v. Madison and the War of 1812

Lab Content
Not applicable.

Special Facilities and/or Equipment
1. When taught on campus, none.
2. When taught as an online distance learning section, students and faculty need ongoing and continuous internet and email access.

Method(s) of Evaluation
Methods of Evaluation may include but are not limited to the following:

Midterm exams featuring written essays
Final examination featuring written essays
Research paper based on in-depth analysis of primary or secondary historical sources
Class discussion and participation
Short in-class written assignments or quizzes

Method(s) of Instruction
Methods of Instruction may include but are not limited to the following:

Lecture
Discussion
Electronic discussions
Multimedia presentations

Representative Text(s) and Other Materials

Additional wide-ranging use of web-based primary sources.

Types and/or Examples of Required Reading, Writing, and Outside of Class Assignments

a. Midterm exams consisting of objective questions requiring understanding and assessment of important people, events, and concepts, and written essays asking for explanation and analysis of major themes and periods
b. One two-hour long final examination with written and objective questions in the style noted above
c. Research paper requiring development of a thesis, collection and analysis of primary and/or secondary sources, and organization and presentation of a quality written product
d. Class discussion and participation focusing on understanding content, analyzing point of view and competency of sources, and identifying important thematic connections to present day topics and events
e. Written questions and assignments requiring evaluation of particular documents, ideas or incidents from the period

HISTORY PROGRAM LEARNING OBJECTIVE: Students will be able to critically analyze a variety of primary and secondary sources and draw valid historical interpretations from them.
