Student Learning Outcomes

- Analyze popular culture as both reaction to and catalyst for events and trends in American history.
- Identify and evaluate the interpretation of American history through popular culture media.
- Recognize and appreciate both the differences and similarities of our combined cultural history.

Description

Interdisciplinary overview of popular culture as a window for understanding American history and society. Theories and methods of analyzing the artifacts of popular culture. Overarching themes: 1) the interpretation of American history via popular culture media; 2) interaction between American historical events and trends, and popular culture.

Course Objectives

The student will be able to:

- Analyze the relationship between popular culture and historical events and trends
- Discuss the impact of diverse cultures within American culture
- Identify and evaluate historical sources of popular culture
- Compare and contrast the differences between recorded history and popular history
- Evaluate the influence of contemporary thought on historical events

- Appraise the importance of context and perspective when studying history, particularly through the lens of popular culture
- Analyze the power of popular culture to shape and influence politics, social movements, and economics
- Recognize and appreciate both the differences and similarities of our combined cultural history
- Apply what we have learned of the past to the understanding of similar aspects of the present

 - Food
 - Comedy
 - Fashion
 - Music
 - Film
 - Sports
 - Language

Lab Content

- Students utilize theoretical knowledge to analyze popular culture artifacts (films, television, music, etc.) within an historical context.
- Students discuss contemporary examples of popular culture artifacts that parallel historical examples.

Special Facilities and/or Equipment

- Lecture room equipped with projection equipment, video/DVD players, sound equipment, and a computer.
- When taught via Foothill Global Access: on-going computer access with email and internet software capabilities.

Method(s) of Evaluation

Methods of Evaluation may include but are not limited to the following:

In-class essay or online group discussion posting of 300 words minimum assembling students' initial knowledge of the unit topic to be discussed

Quizzes based on unit readings

In-class essay or online group discussion posting of 400 words minimum applying concepts of unit and unit learning outcomes to a contemporary artifact

500 words minimum essay reflecting on concepts of unit and unit learning outcomes

Honors Institute students are required to either 1) write an additional four prompted journal entries that integrate core concepts and course learning outcomes into their life experiences or 2) create a project in which they compare/contrast media moments from the past and present via interview and research

Method(s) of Instruction

Methods of Instruction may include but are not limited to the following:

Lecture presentations using mixed media sources

Classroom discussion via instructor-led prompts

Supplemental discussions on web-based course management system
