Student Learning Outcomes

- Ask and answer questions about the health and safety of children in short written dialogues and/or spoken conversations
- Use correct grammar to leave phone messages or written messages reporting incidents, illnesses, and injuries.

Description

This advanced-beginning course focuses on English communication skills within the context of daycare centers, pre-k to elementary schools, and parenting. Students develop skills in reading, writing, listening and speaking while practicing English grammar and vocabulary for communicating with and about children on topics including health and safety.

Course Objectives

The student will be able to:

1. Apply vocabulary and grammar related to topics of health and safety in conversations with parents and children.
2. Demonstrate the ability to comprehend appropriate basic-level reading materials and related vocabulary.
3. Produce simple oral and written messages about health and safety in the context of child care with increased control of specific grammatical structures.

Course Content

1. Apply vocabulary and grammar related to topics of health and safety in conversations with parents and children
 - a. Understand English used in the child care centers as spoken by clients, parents, caretakers, co-workers, and children and respond appropriately
 - i. Identify items and themes common in the context of child care

- b. Use language functions helpful for communicating with and about children about health and safety
 - c. Describing and asking about children's injuries or health
2. Comprehend appropriate basic-level reading materials and related vocabulary
 - a. Understand level-appropriate readings related to children's health and safety topics
 - i. Written messages about incidents of health and safety in child care
 - ii. Children's literature in English
 - b. Recognize, understand and use vocabulary from the child care context
 3. Produce simple oral and written messages to communicate about children's health and safety with increased control of specific grammatical structures
 - a. Simple present
 - i. There is and There are + singular and plural noun
 - b. Present progressive
 - i. Yes/no questions and short answers
 - c. Imperative commands to give directions
 - d. Simple past
 - i. Past of Be
 - ii. Regular past verbs
 - iii. Irregular past verbs
 - iv. Yes/no questions
 1. Be
 2. All other verbs
 - e. Past progressive
