PHED 21A: BEGINNING HATHA YOGA

Foothill College Course Outline of Record

| Heading                        | Value                                                                 
|--------------------------------|-----------------------------------------------------------------------
| Effective Term:               | Summer 2023                                                           
| Units:                        | 1                                                                    
| Hours:                        | 3 laboratory per week (36 total per quarter)                         
| Advisory:                     | This course is included in the Flexibility & Stability family of activity courses. 
| Degree & Credit Status:       | Degree-Applicable Credit Course                                     
| Foothill GE:                  | Area VII: Lifelong Learning                                          
| Transferable:                 | CSU/UC                                                               
| Grade Type:                   | Letter Grade (Request for Pass/No Pass)                              
| Repeatability:                | Not Repeatable                                                       

Student Learning Outcomes

• Students can demonstrate/explain basic knowledge of anatomy, physiology and safety issues related to Yoga practice, including alignment, connection and transitioning safely between poses.
• Demonstrate proper technique and increasing expertise in Yoga postures and sequences.

Description

Principles and methods of practice in the discipline of beginning hatha yoga. Emphasis on the practice and demonstration of the beginning postures and the usage of hatha yoga for increased focus and concentration, integration of personal values and actions, and integration of mind, body, and spirit.

Course Objectives

The student will be able to:

a. Identify basic anatomy and terminology used in the practice of beginning hatha yoga
b. Demonstrate beginning physical poses of hatha yoga
c. Demonstrate the ability to perform and practice hatha yoga independently
d. Practice aerobic hatha yoga postures and sequences
e. Relax at conscious will, both mentally and physically
f. Perform beginning techniques in the art of pranayama (breathing)

vi. Thoughtful and compassionate social interaction
vi. Purification of body and mind, thought, word, and deed

b. Physical postures
   i. Training in beginning hatha yoga postures
   ii. Practice in increasing the duration of aerobic sequences, such as the sun salutations
   iii. Movement routines designed specifically for beginning level
   iv. Beginning syllabus of poses: standing inversions, forward bends, twists, shoulder stretches, pelvic openers, strength, inverted spinal, seated, lower back strengtheners, waist bends, and back bending
   v. Using props and partners to increase skills
c. Relaxation skills
   i. Physical techniques for tension reduction
   ii. Mental techniques for stress management and anxiety control
d. Breathing techniques
   i. Both lying down and sitting up positions for rhythmic controlled beginning breathing exercises
   ii. Beginning variations of breathing exercises
   iii. Retentions of breath introduced
e. Meditation techniques and visualization techniques
   i. Diverse techniques and styles of seated meditation introduced
   ii. Training in the physical art of sitting, necessary for profound meditation
f. Personal private practice
   i. Student will be helped in designing personal routines that help with individual physical problems, ailments, and limitations
   ii. Student will be helped through lectures and groups discussions to overcome obstacles of personal and individual practice

Lab Content

Practice may include, but is not limited to the following:

a. Utthita Trikonasana (Extended Triangle Pose)
b. Prasarita Padottanasana (Wide-Leg Standing Forward Bend Pose)
c. Adho Mukha Svanasana (Downward-Facing Dog Pose)
d. Uttanasana (Standing Forward Bend Pose)
e. Anjaneyasana (Lunge Pose)
f. Bhujangasana (Cobra Pose)
g. Dhanurasana (Bow Pose)
h. Viparita Karani (Elevated Legs-up-the Wall Pose)
i. Bharadvajasana (Simple Seated-Twist Pose)
j. Virasana (Hero-Heroine Pose)

Special Facilities and/or Equipment

1. Appropriate exercise wear, one yoga mat, one large towel.
2. When taught as an online distance learning or hybrid section, students and faculty need ongoing and continuous internet and email access.

Method(s) of Evaluation

Methods of Evaluation may include but are not limited to the following:

Skills and techniques will be assessed by direct instructor observation
Committed and regular participation
Oral and written skill tests
Final examination
1. Independent performance of physical postures
2. Graded on level of preparedness and ability to attend, concentrate, and focus

**Method(s) of Instruction**
Methods of Instruction may include but are not limited to the following:

Discussion
Cooperative learning exercises
Laboratory
Demonstration

**Representative Text(s) and Other Materials**

Although these texts are older than the suggested "5 years or newer" standard, they remain seminal texts in this area of study.

**Types and/or Examples of Required Reading, Writing, and Outside of Class Assignments**

a. Worksheet of sanskrit names for the poses
b. Optional reading and writing assignments as recommended by instructor

**Discipline(s)**
Physical Education
