

PHED 73R: INDEPENDENT STUDY IN PHYSICAL EDUCATION

Foothill College Course Outline of Record

Heading	Value
Units:	4
Hours:	12 laboratory per week (144 total per quarter)
Degree & Credit Status:	Degree-Applicable Credit Course
Foothill GE:	Non-GE
Transferable:	CSU
Grade Type:	Letter Grade (Request for Pass/No Pass)
Repeatability:	Not Repeatable

Description

Provides an opportunity for the student to expand their studies in Physical Education beyond the classroom by completing a project or an assignment arranged by agreement between the student and instructor. The student is required to contract with the instructor to determine the scope of assignment and the unit value assigned for successful completion. Students may take a maximum of 6 units of Independent Study per department.

Course Objectives

The student will be able to:

- Plan an independent study project in Physical Education.
- Conduct the study by means of literature research, fieldwork or laboratory work or other means mutually agreed upon in the student-faculty contract as appropriate for the discipline.
- Present the results of the study in a written or oral report or by some other means as determined by the contract.

Course Content

This course is based on independent research or course of study related to the topics outlined in the student contract.

Lab Content

Activities will vary with each instructor. Instructors will design appropriate physical education activities for the student.

Special Facilities and/or Equipment

None.

Method(s) of Evaluation

Methods of Evaluation may include but are not limited to the following:

Evaluation is based on the completion of the scope of work described in the student-faculty contract.

Method(s) of Instruction

Methods of Instruction may include but are not limited to the following:

Independent study as defined in the student-faculty contract.

Representative Text(s) and Other Materials

Text will vary with content.

Types and/or Examples of Required Reading, Writing, and Outside of Class Assignments

This course requires research, analysis, field study, portfolio or other independent assignments of an agreed upon college-level subject.

Discipline(s)

Physical Education
