Additionally, students who complete the major requirements for the Apprenticeship - Plumbing Technology program will satisfy Area VII.

Minimum proficiency: ENGL 1A or ENGL 1AH or ENGL 1S and ENGL 1T; MATH 105¹ or MATH 180 or any MATH course approved for Foothill GE Area V, Communication and Analytical Thinking.

¹ Intermediate Algebra or equivalent means MATH 105 or completion of a higher-level course with a grade of "C" or better.

It is imperative to note that the Foothill College general education pattern is only appropriate for students pursuing the Foothill College associate in arts or associate in science degree. However, it is not appropriate for students pursuing an A.A.–T or A.S.–T degree. Students planning to earn an A.A.–T or A.S.–T must complete either the IGETC or CSU GE Breadth general education pattern. Note that completion of the IGETC or CSU GE Breadth pattern may also be used to satisfy the general education requirements for the Foothill A.A./A.S. degree. **Because there are significant differences between the three patterns, students are strongly advised to meet with a counselor to determine which pattern will best meet the student's goals.**
