

ART HISTORY

Program Description

The Art History program offers an Associate in Arts degree and a Certificate of Achievement and provides students with an awareness of art, economic, political, religious, and social history. Students leave the program with increased sensitivity to art-related issues and the ability to think critically about art and art history. Knowledge of art history engenders a heightened understanding of history, a familiarity with the major issues in human cultural development, and exposure to the artistic expression of varied cultures and civilizations. This guided program assists students in developing specialized art theories necessary to apply and transfer to art programs at local universities.

Learn more about the program on the [Art History website](#).

Associate Degree for Transfer

This program also offers an Associate Degree for Transfer. Learn more and review the degree requirements on the [Art History AA-T listing](#).

Program Learning Outcomes

- Students will be able to collect and assess primary and secondary source information and successfully analyze and comment on that information in the form of a reasoned term paper.
- Students will be able to demonstrate in written form a strong awareness of the political, social, religious, and technological factors that influence cultures and change in those cultures.

Career Opportunities

Career opportunities include the following: college professor, teacher, arts administrator, museum/gallery curator, corporate art advisor, museum docent, consultant on historical style for film and TV production, museum conservator, historical conservationist, art critic, tour guide, travel consultant, research assistant, and art dealer.
