30-33

CHILD AND ADOLESCENT DEVELOPMENT, AA-T

Program Description

The Associate in Arts in Child and Adolescent Development for Transfer degree is designed to prepare students to transfer to certain California State Universities (CSUs). Students who complete the degree will be ensured preferential transfer status to CSUs in majors that may include Child and Adolescent Development, Psychology (some CSUs), Early Childhood Studies, Human Development, Elementary Subject Matter Teacher Preparation (some CSUs), Adolescent Development, Family Studies, Family and Consumer Sciences and Humanities. The degree requirements will fulfill the lower division major requirements at many CSUs. Students are advised, however, to meet with a counselor to assess the course requirements for specific CSUs and to validate which CSUs are considered local.

Learn more about the program on the <u>Child Development and Education</u> website.

Program Learning Outcomes

- Students will demonstrate understanding of the needs and characteristics of children, birth through middle childhood, and the multiple influences on their development as related to the high-quality care and education of young children.
- Students will demonstrate ethical standards and professional behaviors that deepen knowledge and commitment to the field of early care and education as related to NAEYC Code of Ethical Conduct.

Units Required

• Major. 30-33

Associate Degree Requirements

Associate in Arts in Child and Adolescent Development for Transfer requires completion of a minimum of 90 units to include:

- CSU General Education Breadth Requirements or the Intersegmental General Education Transfer Curriculum (IGETC)¹ (49-58 units) (full certification is required)
- Core and support courses (30-33 units, of which 18-33 units may satisfy the GE requirement)
- Transferable electives necessary to meet the 90-unit minimum requirement

Note: All courses pertaining to the major must be completed with a grade of "C" (or "P") or better. In addition, the student must obtain a minimum GPA of 2.0.

The student may select a maximum of two courses from those noted.

Total Units

Important Note: Although it is possible to fulfill the requirements for the Associate Degree for Transfer by completing the IGETC for UC pattern, admission to CSU requires completion of an Oral Communication course (IGETC Area 1C; CSU GE Area A-1); therefore, students who plan to transfer to CSU should complete this course as part of their GE or elective units.
