

SPANISH, AA-T

Program Description

Spanish is the national language of the majority of the countries of the western hemisphere. It is also the fastest growing language in California. Students completing this degree will have a foundation for the field of Spanish through the study of Spanish language, culture and literature and will acquire the abilities to engage in conversation, understand the essential points of a narrative or explanation, read and comprehend literature, write summaries and engage in correspondence.

The Associate in Arts in Spanish for Transfer degree prepares students for transfer to California State Universities (CSUs). Students who complete the Associate in Arts in Spanish for Transfer degree will be ensured preferential transfer status to CSUs for Spanish majors and majors in related disciplines. The Associate in Arts in Spanish for Transfer degree requirements will fulfill the lower division major requirements at many CSUs. Students are advised, however, to meet with a counselor to assess the course requirements for specific CSUs. This degree may also provide excellent preparation for other majors.
